

Frank Gene Bringard

Our beloved husband, father and grandfather was born in Panguitch, Utah to Frank and Weltha Clark Bringard. He was the fourth of 16 children. Gene is survived by his wife of 44 years, Carol Rasmussen Reynolds; children from previous marriage to Doris Milczarek, Doris Gene Merz, Robert (Faye) Bringard, Norman (Chris) Bringard, Karen Butler (deceased); stepson, Richard (April) Reynolds; 22 grandchildren and many great grandchildren.

Gene grew up as one of the last real cowboys of the West. He loved singing and playing music with his brothers and sisters. Gene drove truck 27 years for Milne Truck Lines. He proudly pulled triples in the Days of 47 Parade. Gene was a hard worker and took pride in all he did. He loved the outdoors, fishing, hunting and camping. Gene loved music and dancing with his wife Carol. He was a devoted "Jazz" Fan. We loved and will miss him very much.
